Cheers to 31 Residents for Acts of Kindness

In our fast-paced world, kindness is a game-changer.

Small gestures of compassion create positive vibes, knitting our community closer together.

Recently, 31 residents got the spotlight for their kindness, which has a magical way of spreading joy, not only touching the lives directly involved but inspiring others to join in.

These 31 residents were superheroes in creating a more caring community, from helping with babysitting to hosting community events, they showed how simple acts make a big difference.

Their varied acts showcase the rich tapestry of kindness in our community.

Each awardee got a personalised certificate and a gift voucher as a big "Thank You" from the community.

Secret nominations poured in with heartfelt comments, recognising the positive impact these individuals had.
