We are excited to announce the opening of Tuath Housing's Community Fund 2024. The funding has been boosted from €10,000 to €25,000 due to the positive social impact that the fund is making to where Tuath residents live. If you are part of a residents committee set up through the Tuath tenant engagement programme or are aware of a registered community group/organisation doing great work in your local community that could make good use of additional funding support, please highlight Tuath's Community Fund to them. Growing Herbs Herbs for Health
April 11th 6 - 7pm

Learn how to grow and care for a range of popular culinary herbs. Herbs have been used for food and healing, by all cultures, for thousands of years. They improve the nutritional value, flavour and appearance of our home cooking and many culinary herbs also have medicinal properties that are beneficial to health. By growing a small selection of herbs, even in pots or a window box, they will always be on hand when you need them. You will be able to grow varieties that are not readily available in cut form, and also avoid food waste, as you only pick what you need. Join our workshop on April 11th at 6pm and be in with a chance to win €30 garden shop voucher.
